

# GRASS-FED LAMB

## 2017 ORDER FORM

**How to Order:** Reserve your lamb by sending in a \$35 deposit and filling out your cutting instructions (next page). We'll let you know when it's ready, and you'll pick it up here at the farm. The lamb will be cut according to your instructions, professionally wrapped, labeled, and frozen. We use a licensed facility for all our butchering.

**How much does it cost?** The price is \$7.55 per pound based on hanging weight—the step just before the meat is divided into the familiar retail cuts you cook with. Our grass-fed lambs average 42-47 lbs hanging weight, bringing the total to around \$317-\$354 for a whole lamb or \$158-177 for a half. Some lambs are smaller, some larger.
