

PASTURED CHICKEN

2025 ORDER FORM

or go online www.owensfarm.com

Our chickens are raised on pasture in small flocks, moved frequently for sanitation, fed locally mixed grain, and never fed funky additives like antibiotics, growth stimulants, or animal by-products. They enjoy fresh air and sunshine and are free to express their natural behaviors such as sunbathing, taking dust baths, and pecking in the grass for delicious tidbits.

Phone _____ cell _____

Price:

Whole birds \$4.95 per pound.

Whole bird pre-cut into 9 pieces \$5.25 per pound.

Whole birds split in half \$5.15 per pound.

Necks, feet pack of 12 \$3 per pound.

Ducks, Whole \$7.10 per pound

Our chickens average 4-6 lbs.

Ducks average 3-4.5 lbs

How to Order:

Reserve ahead of time with a \$2.00 per chicken deposit, subtracted from your total at pick-up time. Use this form with a check, OR pay online (go to www.owensfarm.com and click on the Meats page).

What to Expect:

The chickens will be fresh, ready-to-cook, and packed in clear plastic bags. They are chilled, not frozen.

Ducks will be frozen.

Where to Pick up

All chickens are picked up at Owens Farm in the late afternoon/early evening of processing day.
